(847) 364-9787

APPLICANT: Same as above

The above mentioned game is approved for use in New Jersey as an amusement game, as defined in the Amusement Game Licensing Law, N.J.S.A. 5:8-100 et seq. ("Law"), and the regulations promulgated thereunder, N.J.A.C. 13:3-1.1 et seq. ("Regulations"). This approval is based upon information supplied by the applicant at the time of application for certification. The game must be operated in accordance with the specifications submitted and the terms of this certification. Any modification of the manufacturer's specifications or the specified method of play immediately voids this certification.

It is unlawful to operate any amusement game in the State of New Jersey without a valid certification.

This certification is conditioned upon the following:

Ghost Train is a three reel skill stop game where a player, upon inserting coins, presses the play knob to spin the wheels. The game wheels spin to a stop, by the player using the skill stop buttons. The winnings are dependant upon which three of the same characters on the reels are hit, and the amount of coins played. A bonus feature starts after the reels have stopped by having characters light up around the reels. A bonus win occurs if you match characters on the reels and the bonus lamps.

- 1.) The maximum price to play shall not exceed values set forth in N.J.A.C. 13:3-3.4.
- 2.) Payout must occur immediately in the form of tokens or tickets.
- 3.) Game shall be clean and free of debris.
- 4.) Game shall be installed and maintained according to manufacturer specifications.

This certification is not a license to operate the captioned gambling device. The device may only be operated in a location specifically approved for the operation of amusement games pursuant to the Law and Regulations.

The Commission reserves the right to suspend, revoke or modify this certification upon notice to the manufacturer and/or applicant.
